Dear Abdul Hafidz Zaid,

This is *Journal of Modern Education Review* (ISSN 2155-7993), a professional journal published worldwide by Academic Star Publishing Company, New York, NY, USA.

We have learned your paper "An Application of Arabic Language Teaching Based on Error Analysis Theory" at 2nd International Conference on Language, Literature and Education (ICLLE 2019). We are very interested to publish it in the *Journal of Modern Education Review*. If you have the idea of making our journal a vehicle for your research interests, please send the English version of your paper to us through email attachment in MS word format. All your original and unpublished papers are welcome. Hope to keep in touch by email and publish some papers or books from you and your friends in USA. As an American academic publishing group, we wish to become your friends if necessary. We also want to invite some people to be our reviewers or become our editorial board members. If you are interested in our journal, you can send your CV to us. Expect to get your reply soon.

Best regards,

Angela
