CHAPTER 1: INTRODUCTION

A. BACKGROUND OF STUDY	1
B. PROBLEM FORMULATION	6
C. PURPOSE OF STUDY	
D. SIGNIFICANCE OF STUDY	
1. Theoretical Significanc	
2. Practical Significance	

CHAPTER 1I : LITERATURE REVIEW

A. PREVIOUS STUDIES	9
B. THEORETICAL FRAMEWORK	
1. Dual Banking System	
a. Contract and Legality Aspects	18
b. Dispute resolution institution	18
c. Organization Structure	18
d. Business Funding	
e. Corporate Culture	
2. Monetary Policy	1
a. Convensional Monetary Policy	21
b. Islamic Monetary Policy	23

3.	Conventional Monetary Policy Transmission Mechanism	2
a.	Classic Era	27
b.	Keynes Era	32
4.	Islamic Monetary Policy Transmission Mechanism	3
5.	Differences in credit channel and islamic financing in the mechanism of transmission monetary policy	37
6.	Economic Growth Theory	38

CHAPTER III: RESEARCH METHODS

A.	Place and Time Of Research	41
B.	Type Of Research	4
C.	Types and Data Sources	
D.	Technique and Data Collection	42
E.	Variable Operational Definitions	42
F.	Tekhnik Analisis Data	
1.	Pre-Estimation test	4
a.	Unit Root Test	4
b.	Lag Optimal Test	45
c.	VAR stability test	4
d.	Cointegration test	4
2.	Vector Auto Regressive test	
a.	Impulse Response	
b.	Variance Decomposition	
3.	Vector Error Correction Model (VECM).....	52
4.	Model VAR Research Analysis.....	53

CHAPTER IV: DISCUSSION AND RESEARCH RESULT

A.	PRE ESTIMATION TEST	
1.	Unit Root Test.....	55
2.	Lag Optimal Test	56
3.	VAR Stability Test	57
4.	Cointegration Test	

B. VECM ESTIMATION	
1. VECM estimation of Industrial Production Index in conventional variable.....	59
a. Impulse Response Function (IRF)	
b. Forecasting Error Variance Decomposition (FEVD)	62
2. VECM estimation of Industrial Production Index in islamic variable.....	63
a. Impulse Response Function (IRF)	
b. Forecasting Error Variance Docomposition	65
C. GENERAL DISCUSSION	66
1. Conventional Variable	67
a. The shock of LOAN towards economic growth	67
b. The shock of PUAB towards economic growth	68
c. The shock of SBI towards economic growth	6
2. Islamic Variable	69
a. The shock of FINANCING towards economic growth	64
b. The shock of PUAS towards economic growth	
c. The shock of SBIS towards economic growth	7

CHAPTER V : CLOSING AND SUGGESTION

A. CONCLUTION	
B. SUGGESTION.....	72
