

**COVER LETTER**

author (s) for publication in the journal of  
al-Farabi KazNU

I (We) send prepared by me (us) Khoirul Umam, Atika Rukminastiti Masrifah, Naahilah Hunafaa' Al-Qudsy, and Elisa Amali Pristawati, University of Darussalam Gontor, Indonesia. Manuscript of the article "Monetary Policy's Role in Shaping The Future of Islamic Banking Performance" for consideration and publication in the journal "Farabi Journal of Social Sciences" in chapter "Economics & Management".

I have read and agree with the terms of publication in the journal.

I confirm that the manuscript has not been previously published by me (us) anywhere and has not been sent / is not under consideration for publication in another publication (s).

With this letter we guarantee and bear full responsibility for the fact that the placement of a scientific article in the journal does not violate anyone's copyright, principles, norms and standards scientific and / or publication ethics. The author (s) transfers non-exclusive rights to use the scientific article to the publisher of the journal for an unlimited period.

I have no objection to posting the article on the journal's website in open access format after the manuscript is accepted for publication in the journal and the printed issue of the journal with the published article is distributed in libraries and other organizations and / or institutions.

I have no objection to checking the manuscript for plagiarism and other signs of violation of publication ethics.

I hereby authorize the editorial board to independently exist scientific and literary editing of the manuscript that does not change its fundamental provisions, review the manuscript and propose to make the necessary changes, while the publication of the manuscript will be made only after I (we) make the necessary changes.

I acknowledge the right of the editorial board to refuse in the publication of the manuscript, if its design and content does not meet the requirements of the journal, or in connection with the prohibition on the publication of the information contained in it, established by regulatory legal acts and / or other official documents of the Republic of Kazakhstan, or in connection with the presence of violations of the principles in the manuscript, norms and standards of scientific and / or publication ethics.

By this letter we declare that the author (s) have / do not have (underline the necessary) conflicts of interest with other scientists or members of the editorial board of the journal. (If there is a conflict of interest, you must indicate any conflicts of interest on the part of the author (s) regarding the material of the manuscript, indicate the full names of scientists who, in the opinion of the author (s), will not be able to objectively evaluate the manuscript).
