ACKNOWLEDGEMENT

Assalamua'alaikum Warohmatullahi Wabarokatuh

Alhamdulillah wabbil'alamin, all praise and gratitude are due to Allah SWT, the Lord of the universe who has given the grace, guidance, and blessing of his knowledge so that the author can complete the thesis as expected. Shalawat and greetings are endlessly sent to the prophet Muhammad SAW, along with his family and friends. Thesis entitled **FORMULATION AND EFFECTIVENESS TEST OF CHEWY CANDY SUJI LEAF EXTRACT (*Dracaena angustifolia* roxb) AS ANTIBACTERIAL *Staphylococcus aureus* THE CAUSE OF SORE THROAT INFLAMMATION** This thesis was prepared as one of the requirements for doing the final project, namely the thesis in the Bachelor of Pharmacy degree Faculty of Health Sciences, Darussalam Gontor University. The author realizes that the preparation of this thesis cannot be completed without the help, guidance, and encouragement of various parties. Therefore, on this occasion, the author would like to express his sincere gratitude to:

1. Prof. Dr. Hamid Fahmi Zarkasyi, M.A., M.Phil as the Rector of Darussalam Gontor University. Dr. Abdul Hafidz Zaid, M.A as the vice rector I of Darussalam Gontor University. Dr. Setiawan Bin Lahuri, M.A as the vice rector II of Darussalam Gontor University. Dr. Khoirul Umam, M.Ec as vice rector III of Darussalam Gontor University.
2. Apt. Amal Fadholah, S.Si, M.Si as Dean of the Faculty of Health Sciences, Darussalam Gontor University and apt. Nadia Iha Fatihah, M.Clin.Pharm as the Head of the Pharmacy Study Program at Darussalam Gontor University.
3. Apt. Fauziyyah Al Hasanah M.Farm was the main supervisor and Solikah Ana Estikomah S, SI.M, SI was the second supervisor who provided knowledge, took the time, thought, guided, gave advice, and direction during the preparation of the thesis until it was completed.

4. All lecturers, laboratorians, teaching staff, and administrative staff of the Pharmacy Study Program who have been willing to share their knowledge, guide, and provide direction during the lecture process.
5. All the extended family have provided moral and financial support, and always prayed for the success, success, and blessing of the author's knowledge.
6. Undergraduate Pharmacy class of 2020 Pharmacy Study Program, Darussalam Gontor University, Prominent alumni, and Ashabu tsaman friends who helped pray and provide encouragement. As well as to all parties that the author cannot mention one by one.

The author realizes that there are still many shortcomings in the writing. Constructive criticism and suggestions are needed so that this thesis becomes even better. Hopefully, this thesis can provide benefits and be an inspiration for readers *Aamiinn Yaa Rabbal Alamin.*

Wassalamu'alaikum Warohmatullahi Wabarokatuh
