

ACKNOWLEDGEMENT

All praise is due to Allah SWT, who is the most gracious and merciful. Through His grace and guidance, I was able to complete this thesis entitled “Formulation Of Fast Disintegrating Tablets Of Ethanol Extract Of Cardamom Seeds (*Amomum Compactum Sol. Ex Maton*) With Variations Of Explotab As A Bad Breath Preventive. This thesis is written in order to fulfill’ the requirements to achieve the Bachelor of Pharmacy degree at the Pharmacy Study Program, Faculty of Health Sciences, Darussalam Gontor University.

In completing my studies and writing this thesis, I received a lot of help, both in terms of teaching, guidance, and direction, from various parties, both directly and indirectly. Therefore, I would like to express my deepest appreciation and gratitude to:

1. Prof. Dr. K.H. Hamid Fahmi Zarkasyi, M.A.Ed., M.Phil., is the Rector of Darussalam Gontor University.
2. apt. Amal Fadholah, S.Si., M.Si., as the Dean of the Faculty of Health Sciences, Darussalam Gontor University.
3. apt. Kurniawan S.Si., M.Farm, and apt. Nadia Iha Fatihah, M.Clin.Pharm., as supervisors who have taken their time in the midst of their busy schedules, always giving criticism, advice, and direction to me in the process of writing this thesis.
4. apt. Fauziyyah Al Hasanah, M.Farm, as the chief lecturer of thesis examiners, who has taken the time to provide direction to me in the process of writing this thesis.
5. My parents, Mr. Yasir Prayitno and Mrs. Sholichatul Mu'minah, to whom I dedicate this thesis. Thank you for all the love and affection given in raising and guiding me all this time, and also for all the prayers that are always prayed for me so that I can continue to strive to achieve my dreams and goals. Success and all the good things that I will get in the future are because of both of you.

6. My siblings, Diana Safira Putri and Azizah Putri Ramadhani, thank you for always being there for me, forgive me if I haven't been able to be a good example for you two. Hopefully, you two can grow into someone who is more proud of your parents in the future.
7. Friends who have supported, encouraged, and advised me.
8. All members of the Pharmacy Study Program at Darussalam Gontor University who have always guided me, thank you for the beautiful memories so far.

As an ordinary human being, I realize that the preparation of this thesis is far from perfect due to the limited knowledge I possess. Therefore, for the mistakes and shortcomings in writing this thesis, I apologize profusely and am willing to accept any criticism that can build me up again. Hopefully, this thesis can provide benefits for anyone who reads it.
