ACKNOWLEDGMENT

Assalamualaikum Warahmatullahi Wabarakatuh

Alhamdulillah rabbil'alam, praise to Allah SWT who has granted His grace and guidance, along with the blessing of knowledge, enabling the author to complete the thesis as expected. Shalawat and greetings are sent upon the Prophet Muhammad SAW, along with the families and friends who have struggled to convey the path blessed by Allah SWT. The thesis entitled “Determination of Sun Protection Factor Value of Facemist Spray of Betel nut Extract (*Areca catechu L.*) with Vegetable Glycerine as Humectant” was prepared as one of the requirements in completing the final project in the Bachelor's program in the Pharmacy Study Program, Faculty of Health Sciences, Universitas Darussalam Gontor.

The author realizes that the completion of this thesis cannot be completed without the help, guidance, and encouragement of various parties. Therefore, on this occasion, the author would like to express his deepest gratitude to:

1. Prof. Dr. Hamid Fahmi Zarkasyi, M.A., M.Phil., as the Rector of Universitas Darussalam Gontor Dr. Abdul Hafidz Zaid, M.A., as the Vice Rector I of Universitas Darussalam Gontor. Dr. Setiawan Bin Lahuri, M.A., as the Vice Rector II of Universitas Darussalam Gontor. Dr. Khoirul Umam, M.Ec., as the Vice Rector III of Universitas Darussalam Gontor.
2. apt. Amal Fadholah, S.Si, M.Si., as the Dean of the Faculty of Health Sciences and apt. Nadia Iha Fatihah, M.Clin.Pharm, as the head of the Pharmacy Department of Universitas Darussalam Gontor.
3. apt. Satwika Budi Sawitri, M.Farm, is the main supervisor, and Yulisa Raras Dewi, M.Farm, is the second supervisor. Both supervisors have provided knowledge, taken the time, guided, and provided direction and advice during the preparation of the thesis so that it can be completed properly.

4. All lecturers, laboratorians, teaching staff, and administration of the Pharmacy Study Program who have shared their knowledge, provided guidance and offered direction during the lecture process.
5. Both parents, Mr. Lantur Fauzan and Mrs. Erna Wati. As well as all the extended family, who have provided moral, financial support, and prayed for the success, achievement, and blessing of the author's knowledge.
6. Friends in the Pharmacy Study Program, especially to Brillian Sindi Agustin, a friend in arms in completing this thesis research, Faculty of Health Sciences, Universitas Darussalam Gontor class of 2021, along with friends of the Virtuous class of Universitas Darussalam Gontor who helped, prayed, and encouraged. The autor is unable to acknowledge each individual by name.

The author realizes that there are still many shortcomings and limitations in writing the thesis. Therefore, the author welcomes constructive criticism and suggestions from all parties so that this thesis can be better. Hopefully, this thesis can benefit and inspire the readers of *Aamiin Ya Rabbal Alamin*.

Ngawi,
Author
