## ACKNOWLEDGE

Assalamualaikum warrahmatullahi wabarakatuh

All praise be to Allah, Lord of the worlds, for His mercy, guidance, and blessings, enabling me to complete this undergraduate thesis entitled “Characteristics of Emulsions Containing Ajwa Date Extract and Olive Oil with Different Concentrations of Lecithin and Pectin Emulsifiers.” May blessings and peace be upon the beloved Prophet Muhammad (peace be upon him), his family, and his companions, who serve as a guiding example for all humanity. This thesis is submitted as a requirement for completing the bachelor’s Degree in Pharmacy at the Faculty of Health Sciences, Universitas Darussalam Gontor.

I am fully aware that this thesis could not have been completed without many individuals' support, guidance, and encouragement. Therefore, I would like to extend my heartfelt gratitude to:

1. My beloved parents, Mr. El Akbar, and Mrs. Anggia Krisnina, along with my extended family, for their unconditional love, unwavering prayers, moral support, and financial assistance throughout this journey.
2. Al-Ustadz apt. Amal Fadholah, S. Si, M. Si, Dean of the Faculty of Health Sciences at University of Darussalam Gontor, for his leadership and support.
3. Al-Ustadzah apt. Nadia Iha Fatiha, M. Clin.Pharm, Head of the Department of Pharmacy at University of Darussalam Gontor, for her guidance and encouragement.
4. Al-Ustadzah apt. Fauziyyah Al Hasanah, S. Farm., M. Farm, and Al-Ustadzah Anggun Mahirotun Nur Solikhah, M.Farm, my academic supervisors, who have generously shared their knowledge, time, and invaluable advice throughout the completion of this thesis.
5. The entire academic community of the Pharmacy Program, including lecturers, laboratory staff, and all educators, for their knowledge and irreplaceable assistance.
6. My loyal friends Aiyah, Echa, and Najla have always supported and accompanied me, serving as my source of strength throughout this journey.

7. My fellow 2021 Pharmacy cohort at University of Darussalam Gontor, who has been a significant part of this journey, offering prayers, encouragement, and a sense of camaraderie that I will forever cherish.

My deepest gratitude also goes to all individuals who cannot be mentioned individually but have contributed to the completion of this thesis. May Allah reward your kindness abundantly. Lastly, I sincerely hope this thesis will provide benefits and serve as a stepping stone for broader scientific contributions in the future.

Wassalamualaikum warahmatullahi wabarakatuh.
