FOREWORD

Praise be to Allah SWT, the Lord of the universe, who has given all forms of enjoyment in the form of physical and spiritual health so that the author can easily work and complete a thesis proposal with the title **"ASSESSMENT OF HOSPITAL PREPAREDNESS IN DEALING WITH DISASTERS BASED ON THE HOSPITAL SAFETY INDEX AT RSUD dr. HARJONO S, PONOROGO"**.

This thesis is prepared as one of the requirements to complete the final study project at the Occupational Safety and Health Study Program, Faculty of Health Sciences, Universitas Darussalam Gontor, Ponorogo.

The author realizes that the writing of this thesis will not succeed without guidance and assistance from various parties, both material and spiritual. For that with all humility, the author would like to thank you very much:

1. Mr. apt. Amal Fadholah, S.Si., M.Si., as the Dean of the Faculty of Health Sciences, Universitas Darussalam Gontor, Ponorogo.
2. Mrs. Dr. Sisca Mayang Phuspa, M.Sc. as the Deputy Dean of the Faculty of Health Sciences, Universitas Darussalam Gontor, Ponorogo as well as examiner 1 who has tested and provided a lot of input to this study.
3. Mrs. Aisy Rahmania., M.KKK as the Head of the Occupational Safety and Health Study Program at Universitas Darussalam Gontor, Ponorogo.
4. Mrs. Rindang Diannita., S.K.M., M.Kes., as a supervisor who has guided and provided many suggestions and inputs to this research.
5. Mrs. Siti Ma'rifah S.ST., M.K.M., as examiner 2 who has tested and provided a lot of input on this study.
1. All lecturers and staff of the Occupational Safety and Health Departement, Universitas Darussalam Gontor, Ponorogo who have given a lot of knowledge and experience to the author during the lecture here, God *willing*, will be very useful in the future, and hopefully it is worth worshiping before Allah SWT and becoming charity for all, *Aamiin*.
6. Both parents, especially the author's mother, who has supported and always prayed in every prayer for the smooth running of the writer who is studying

science, may he always be under the protection of Allah SWT and be given health and a long life *Aamiin*.

7. Fellow writers, in the UNIDA Gontor Occupational Safety and Health Departement, thank you for being *a support* for the writer during the writing of this thesis, good luck always.

The author also thanks all parties who have assisted the researcher in completing this thesis. The researcher hopes that this thesis can be useful for readers and can be used as a reference for development in a better direction.
