ACKNOWLEDGMENT

Praise be to Allah, the Lord of all worlds. All gratitude is due to Allah SWT for His boundless mercy and blessings, which have enabled the researcher to complete this study and overcome various challenges throughout the research process. The researcher remains ever grateful for His countless favours that have made the successful completion of this research possible.

May peace and blessings always be upon our Prophet, Muhammad (peace be upon him), along with his family and companions. May we also be among those who are granted his intercession on the Day of Judgement. Ameen.

Although this research is far from perfect, the researcher sincerely hopes for the pleasure of Allah SWT in every step taken throughout this journey. Furthermore, it is hoped that the findings of this study will be beneficial both personally and for others.

On this occasion, the researcher would like to express heartfelt gratitude and appreciation to:

1. The Leaders of Pondok Modern Darussalam Gontor: K.H. Hasan Abdullah Sahal, Prof. Dr. K.H. Amal Fathullah Zarkasyi, M.A., and Drs. Akrim Mariyat, Dipl.A.Ed. May Allah always protect and preserve them.
2. The Rector of Universitas Darussalam Gontor, Prof. Dr. K.H. Hamid Fahmy Zarkasyi, M.A.Ed., M.Phil.; Vice Rector I for Academic and Student Affairs, Dr. Abdul Hafidz Zaid, M.A.; Vice Rector II for Administration and Finance, Dr. Setiawan Bin Lahuri, M.A.; Vice Rector III for Research and Collaboration, Dr. Khoirul Umam, M.Ec.; and Vice Rector IV for Finance, Assets, and Family Welfare, Royyan Ramdhani Djayusman, Ph.D., who have continuously provided us with motivation and guidance. May Allah SWT ease their path in carrying out their duties at Universitas Darussalam Gontor.

3. The Dean of the Faculty of Science and Technology, Haris Setyaningrum, S.Si., M.Sc., for their dedication and efforts in teaching and supporting the researcher.

4. The Head of the Informatics Engineering Study Programme, Dihin Muriyatmoko, S.ST., M.T., along with all lecturers who have consistently provided guidance and direction. Through their mentorship, we have finally reached this stage. May Allah SWT reward them abundantly for their kindness.

5. The research supervisors, Widya Kurniawan, M.Kom., and Faisal Reza Pradhana, M.Kom., who have patiently and diligently guided us until the completion of this research. May Allah SWT always bless them wherever they may be.

6. The subject examiner, Indah Tri Lestari, S.Si., M.Si., who has provided invaluable advice, guidance, and support throughout this research.

7. The media examiner, Dr. Cecep Sobar Rochmat, S.Th.I., M.Pd.I., who has also offered invaluable advice, guidance, and support throughout this research.

8. The researcher's beloved parents, Mr. M. Ali Tafsir and Mrs. Siti Bariatun Chasanah; siblings, Faiz Abimanyu Tafsir, Firdaus Maulana Tafsir, Muhammad Zainuddin Tafsir, Muhammad Habiburrahman Tafsir, and Muhammad Khidir Alfaruq Tafsir; as well as the entire family, who have provided unwavering moral and financial support, significantly contributing to the completion of this research.

9. The Informatics Engineering Class of 2021, my dear friend Annisa Aghnia, and my partner Filoshofia Meutia, who have always supported and accompanied one another until the end of our journey at UNIDA Gontor.

May all their acts of devotion be accepted by Allah SWT as blessed rewards, may their sins be forgiven, may every dedication they have given be illuminated, and may they be granted happiness in this world and the Hereafter. **Allahumma Ameen.**
