FOREWORD

Praise be to Allah SWT, the Lord of the universe who has given all forms of enjoyment in the form of physical and spiritual health so that the author can efficiently work and complete the thesis with the title "The Relationship of Knowledge About Occupational Safety and Health with *Unsafe Action* in Workers in the Fabrication Division of the Welding Section of PT INKA".

This thesis is prepared as one of the requirements to complete the final study project at the Occupational Safety and Health Study Program, Faculty of Health Sciences, Darussalam Gontor Ponorogo University.

The author realizes that the writing of this thesis will not succeed without guidance and assistance from various parties, both material and spiritual. For that with all humility, the author would like to thank you very much:

1. Ustadz apt. Amal Fadholah, S.Si., M.Si., as the Dean of the Faculty of Health Sciences, Darussalam Gontor Ponorogo University.
2. Ustadzah Aisy Rahmania, M.KKK, as the Head of the Occupational Safety and Health Study Program at Darussalam Gontor Ponorogo University.
3. Ustadzah Dian Afif Arifah, S.ST., M.Kes.. as a supervisor who has guided and provided many suggestions and inputs to this research.
4. Ustadzah Dr. Sisca Mayang Phuspa, S.KM., M.Sc., as examiner 1 who has tested and provided much input on this study.
5. Ustadzah Rindang Diannita, S.K.M., M.Kes., as examiner 2 who has tested and provided much input on the writing of this research.
6. All Ustadz/Ustadzah lecturers and staff of the Occupational Safety and Health Study Program of Darussalam Gontor University who have given a lot of knowledge and experience to the author during the lecture here which *God willing*, will be very useful in the future, and hopefully it is worth worshiping before Allah SWT and becoming charity for everyone, *Aamiin*.

7. The two parents, in particular, who have supported and always prayed in every prayer for the smooth running of the writer who is studying science, may he always be under the protection of Allah SWT and be given health and a long life *Aamiin*.
8. Writer friends in the UNIDA Gontor KKK Study Program , thank you for being a *support system* for writers during the writing of this thesis, good luck always.

The author also thanks all parties who have assisted the researcher in completing this thesis. The researcher hopes that this thesis can be useful for readers and can be used as a reference for development in a better direction.
