ACKNOWLEDGEMENT

Alhamdulillah, all praise is due to Allah SWT who has given his mercy and grace, so that it has provided an opportunity to study and smoothness in working on a thesis with the title “The Impact of Singapore's Investment in Improving Waste Management Through Circulate Capital at Reciki Solusi Indonesia” which is the final project as a requirement to complete the undergraduate program of the International Relations Study Program, Faculty of Humanities, Universitas Darussalam Gontor. Shalawat and Salam may be poured out to our lord the Prophet Muhammad SAW who has brought syafa'at to Muslims.

Thank you to everyone who has provided support to me both in terms of morril and material so that this thesis can be arranged properly in accordance with what is expected, although it is still far from perfect and some other shortcomings may be material for improvement. The author realizes that this thesis will not be realized without guidance, direction and assistance from various parties. On this occasion the author expresses his deepest gratitude to:

1. Al-Ustadz Dr. Mohamad Latief, M.A. as the Dean of the Faculty of Humanities, University of Darussalam Gontor..
2. Al-Ustadzah Novi Rizka Amalia, S.IP., M.A. as Head of International Relations Department, University of Darussalam Gontor
3. Al-Ustadzah Dini Septyana Rahayu, M.Hub.Int. as the author's supervisor, who has provided mental encouragement, enthusiasm and enormous patience, who has guided the author from the beginning of college to the process of preparing this thesis, thank you for providing a lot of input to

the author and providing a lot of information in the preparation of this thesis..

4. All lecturers of International Relations who have provided knowledge, advice, blessings, and endless support during our education at University of Darussalam Gontor.
5. I especially express my respect, love and affection to my parents, my mother Yuliani and father Taufiq Nurjanto for whom I dedicate this thesis. Thank you for all the love, support, advice and prayers that always strengthen and accompany every step of the author's foot, so that it becomes a race for the author to continue to be enthusiastic in carrying out every process in achieving dreams and goals. Success and all good things in the future are because and for both of them.
6. The author's brother Fauzul Khobir Affandi as the dearest brother who has provided support, attention, and prayers, although sometimes annoying.
7. First Batch Matriculation Friends (2020), who always encourage at every moment.
8. Friends in arms Virtuous Generation, especially “Aset Negara”, International Relations students Class of 2021 who have helped, embraced, supported each other through semester after semester until now, thank you for all your prayers and support.
9. Friends and family “Sodara Beda Pabrik” who are a milestone of enthusiasm and always provide endless support and are always patient with the author, May our friendship reach heaven.

10. The author's best friend Putri Shinta Maharani who is always there to provide support, motivation, prayers, and laughter during the author's studies in Ngawi, thank you for being a place to complain and be patient with the author's behavior.

11. Not forgetting my team of pride, Persib Bandung, which has taught me the meaning of hard work and never giving up in achieving my goals.

12. All parties who have helped write this thesis which cannot be mentioned one by one, the author would like to thank you very much.

And finally the author hopes that all those who have supported and prayed for him, may Allah SWT give him mercy and facilitate all his affairs. Hopefully this research can be a reference for further research and provide benefits for all of us,

Aamiin Ya Rabbal 'Alamiin.
