## STATEMENT OF ORIGINALITY

I sincerely declare that, to the best of my knowledge, this thesis does not contain any scientific work that others have submitted to obtain an academic degree at any university. Furthermore, this thesis does not include any works or opinions of others published, except those explicitly cited in writing and listed in the bibliography.

If, at a later time, it is proven that this thesis contains elements of plagiarism, I am willing to accept the consequences, including the annulment of this thesis and the revocation of the academic degree I have obtained. I am also prepared to be processed by the applicable laws and regulations, as stipulated in Law No. 20 of 2003, Article 25, Paragraph 2, and Article 70.

## ACKNOWLEDGEMENT

Praise my gratitude to Allah SWT for the favors, graces, and gifts continuously poured out to all as his servants so we can study in this noble place. Shalawat and greetings are sent to our great prophet Muhammad SAW who has brought his people from the dark ages to the brightly lit times like today.

The author does not forget to thank all the lecturers who have helped with the thesis writing process, especially the supervisor who has patiently guided the thesis work to completion. Humbly, the author realizes that this thesis cannot be done entirely by herself and there are parties who have helped, given direction, and encouraged the author to complete the thesis.

I would like to express my deepest gratitude to:

1. *Ustadz* Profesor Dr. Hamid Fahmi Zarkasyi, M.A.Ed., M.Phil. as the Rector of Darussalam Gontor University and all its staff who have provided knowledge and educated the author.
2. *Ustadz* Haris Setyaningrum, M.Sc., as Dean of the Faculty of Science and Technology.
3. *Ustadz* Dihin Muriyatmoko, M.T. as Dean of the Faculty of Science and Technology.
4. *Ustadz* Faisal Reza Pradhana, S.Kom., M.Kom, and *Ustadzah* Triana Harmini, M.Pd., who were the supervisors who always patiently provided guidance and direction in writing the thesis.
5. Mrs. Dyah Rani Ayu E.K, M.Psi. , as professional in the field of psychology who is always willing to assist the writing of the thesis in the data validation process.
6. The author's parents, Mr. Ridlo Setyono, S.Pd. and Mrs. Urifah, S.Pd., and the author's brother, Syifa'ul Qolby Wildani, S.Sos., always provide support and prayers to the author and are patient, strong, and firm in educating and raising the author.

7. Ainni Fitriani, Della Pradyanti Dewi Mahari, Ferdinda Azzahra:  
These are the author's childhood friends who have provided moral support and become a place to share joy and sorrow in this writing process.
8. Friends from the Informatics Engineering Study Program and other friends willing to help the author complete this research.
