Acknowledgment

Assalamualaikum Warahmatullahi Wabarakatuh

Alhamdulillah rabbil'alamin, all praises and gratitude to Allah SWT for His blessings and guidance, which have enabled the author to complete this thesis as expected. May peace and blessings be upon our beloved Prophet Muhammad SAW, along with his family and companions, who have struggled to convey the path blessed by Allah SWT. This thesis, entitled “**Formulation Of Solid Soap From Yoghurt Whey With Natural Color From Butterfly Pea Flower (*Clitoria Ternatea L.*)**”, was prepared as one of the requirements for completing the undergraduate program in the Department Of Pharmacy, Faculty of Health Sciences, Universitas Darussalam Gontor.

The author realizes that the completion of this thesis would not have been possible without the help, guidance, and encouragement from various parties. Therefore, on this occasion, the author would like to express heartfelt gratitude to:

1. **Prof. Dr. Hamid Fahmi Zarkasyi, M.A., M.Phil.**, Rector of Universitas Darussalam Gontor, **Dr. Abdul Hafidz Zaid, M.A.**, Vice Rector I, **Dr. Setiawan Bin Lahuri, M.A.**, Vice Rector II, and **Dr. Khoirul Umam, M.Ec.**, Vice Rector III of Universitas Darussalam Gontor.
2. **apt. Amal Fadholah, S.Si., M.Si.**, Dean of the Faculty of Health Sciences, and **apt. Nadia Iha Fatihah, M.Clin.Pharm.**, Head of the Pharmacy Study Program, Universitas Darussalam Gontor.
3. **Dr. Solikah Ana Estikomah, M.Si.**, the main thesis supervisor, and **apt. Fauziyyah Al Hasanah, M.Farm.**, the co-supervisor, who have provided their knowledge, time, guidance, advice, and encouragement throughout the thesis preparation process.
4. All lecturers, laboratory staff, educators, and administrative staff of the Pharmacy Study Program who have shared their knowledge and provided guidance throughout the course of study.
5. The author's parents, **Mr. Suardi** and **Mrs. Jurana**, for their unwavering moral and financial support, as well as their prayers for the author's success, well-being, and blessings.

6. Fellow students of the Pharmacy Study Program, Faculty of Health Sciences, Universitas Darussalam Gontor, Class of 2021, as well as friends from the Universitas Darussalam Gontor consulate, who have contributed support, prayers, and encouragement. Gratitude is also extended to all parties who cannot be mentioned individually.

The author acknowledges that this thesis still has many shortcomings and limitations. Therefore, constructive criticism and suggestions from all parties are highly appreciated to improve the quality of this thesis.

May this thesis be beneficial and serve as an inspiration to its readers. Aamiin Ya Rabbal Alamin.
