ACKNOWLEDGEMENT

Bismillahirrahmanirrahim...

All praise and gratitude always go to the presence of Allah Subhanahu wa Ta'ala for His infinite grace, favour, and guidance, so that the author can complete this thesis as one of the requirements to obtain a Bachelor's degree in Pharmacy. Shalawat and salam are always poured out to our lord, the Prophet Muhammad Shallallahu'alaihi wa sallam, who has brought mankind from darkness to the light of Islam which is full of wisdom.

The author realizes that this thesis would not have been realized without the prayers, support, and guidance of various parties. Therefore, let me express my deepest gratitude to :

1. Leaders of Pondok Modern Darussalam Gontor, Al-Ustadz K.H. Hasan Abdullah Sahal, Prof. Dr. K.H. Amal Fathullah Zarkasy and DRs. K.H. Akrim Mariyat, DIPL. A. ED
2. Rector of Darussalam Gontor University, Al-Ustadz Prof. Dr. H. Hamid Fahmi Zarkasy, M.A., M.Phil.; Vice Rector I, Dr. Abdul Hafidz Zaid, M.A; Vice Rector II, Dr. H. Setiawan Bin Lahuri, M.A; Vice Rector III, Dr. Khoirul Umam, M.Ec and Dr. Royyan Ramdhani Djayusman, M.A as Vice Rector IV at Darussalam Gontor University.
3. The main supervisor, Ustadzah apt Nadia Iha Fatiha, M.Clin.Pharm., who patiently and dedicatedly provided valuable guidance, input, and direction during the process of preparing this thesis.
4. The second supervisor, Ustadzah Nurul Marfuah M.Si, for her time, attention, and sincere advice in helping the author complete this research.
5. Both of my beloved parents, Mrs. Siti Khoirul Meimunah and Mr. Rizal Sholeh, always provide unlimited love, prayers, and support. Your enthusiasm and sacrifice are the biggest reasons for the author to keep fighting.
6. My dearest brother, Henry Julian Sholeh, for his support, inspiration, and presence that always gives strength in this journey.

7. My best colleague, Febriana Dwi Tristiani, for her meaningful collaboration, moral support, and encouragement at every step of this academic journey.
8. All Pharmacy friends, who have become friends in arms and a place to share the ups and downs during the lecture period. This togetherness will always be a precious memory.

The author realizes that this work is far from perfect. Therefore, the author graciously accepts constructive criticism and suggestions for future improvements. Hopefully this thesis can provide benefits for readers and contribute to the development of science in the field of Pharmacy.
