MOTTO

“A good thesis is a thesis that is right, not fast.”

The thesis teaches us to manage time, discuss with friends, and be polite to the supervisor.

“My Father’s Message”

Live while reaping the wisdom that exists. Maybe Allah wants you to be a more patient person!

Everyone’s luck is different; those who file a proposal defense first do not necessarily have a defense quickly, and those who file a hearing do not get a job immediately! So, enjoy the process without protesting!

You are significant; you have fought that hard!

Allah knows how you respond to all destiny that Allah has given to you
It’s okay to be tired, don’t stop

There are many hopes, and there are many prayers that accompany your efforts!
