Although when compiling this thesis you did not attend directly, every sheet in this thesis was formed by the motivation you used to give, “Always pray for the success and success of your child from above, mah,” and for my family, Miftakul Gufron as my father, who always provides prayers and hopes to continue studying at Gontor, which always accompanies every writing process and achievement of future goals. My future success is also inseparable from the support and enthusiasm of my younger siblings Syarifah Annisa and Abdul Qadir Al-Jaelani.
5. Especially for my best friend Nissa Aulia Maharani, who has supported and assisted in accompanying the level of study together and supporting each other towards diplomats with the S.Sos degree together, as well as Annisa Nuryanti Affandi as a friend who supports researcher in compiling thesis sheets by continuously providing the spirit of ambition.
