ACKNOWLEDGMENTS

Alhamdulillah, all praise be to Allah SWT, who has bestowed His grace and guidance, providing us with the opportunity to learn and progress smoothly on a thesis with the title Indonesia-Malaysia-Thailand Growth Cooperation (IMT-GT) Cooperation in Handling Waste Cases through the Green City Action Plan (GCAP) Program, which is the final project as a requirement to complete the undergraduate program of the International Relations Study Program, Faculty of Humanities, Universitas Darussalam Gontor. Blessings and peace may shalawat and salam always be upon to our beloved Prophet Muhammad SAW, who has brought syafa'at (intercession) to us, the Muslims.

I would like to express my gratitude and appreciation to all those who have supported me, both morally and materially, enabling this thesis to be properly structured as expected. Although it is still far from perfect and has some shortcomings, I hope it serves as a learning experience and a basis for improvement in the future. The author realizes that this thesis will not be realized without guidance, direction, and assistance from various parties. On this occasion, the author expresses his deepest gratitude to:

1. Professor Dr. Mohamad Latief, M.A. as Dean of the Faculty of Humanities, University Darussalam Gontor.
2. Professor Novi Rizka Amalia, S.IP., M.A. as the Head of the International Relations Department of University Darussalam Gontor.
3. Professor Afni Regita Cahyani Muis, S.IP., M.A. as a supervisor who has taken the time to guide the author from the beginning of this thesis in the form of a proposal until it is finally compiled into the expected research.
4. All lecturers of International Relations who have provided knowledge, advice, blessings, and endless support during our education at University Darussalam Gontor.

5. I especially express my respect to my parents, Mr. Nisful Fauzi and Mrs. Cut Yurlita Suri for whom I dedicate this thesis. Thank you for all the endless love, support, advice, and prayers, which always strengthen and accompany the author in every step, so that it becomes a race for the author to continue to be enthusiastic in carrying out every process in achieving dreams and goals. Success and all good things in the future are because and for both of them.
6. Friends in arms Virtuous Generation, especially for all International Relations 2021 'State Assets' students who have helped, embraced, and have supported each other semester after semester until now. Deep gratitude and thanks for all the prayers, support, and cherished memories.
7. And for all the closest friends who have accompanied, prayed and endless support painted the ups and downs of the author's days.

Finally, the author hopes that all those who have supported, prayed for, and given their blessings, may Allah SWT give him the grace of his affection and facilitate and smooth all his affairs. Hopefully, this research can be a reference for further research and provide benefits for all of us, *Aamiin Ya Rabbal 'Alamiin*.
