

ACKNOWLEDGMENT

Assalamu'alaikum Warrahmatullah Wabarakatuh.

We offer our praise and gratitude to Allah SWT, who has bestowed His mercy and guidance upon us all, enabling the author to complete this thesis entitled, **“Cost Effectiveness Analysis of The Combination Metformin-Sulfonylurea with Metformin-DPP-4 Inibitor in Type 2 Diabetes Mellitus Patients at Hospiat X”**.

We also offer our prayers and greetings to the Prophet Muhammad SAW, whose intercession we eagerly await on the Day of Judgment. This thesis is a requirement for obtaining a Bachelor of Pharmacy (S. Farm) degree from the Pharmacy Study Program, Faculty of Health Sciences, Darussalam Gontor University.

In writing this thesis, the author received a lot of help, guidance, encouragement, and support from various parties. On this occasion, the author would like to express his gratitude to Prof. Dr. Hamid Fahmi Zarkasyi, M.A., M.Phil. as Rector of Darussalam Gontor University, Prof. Dr. Abdul Hafidz Zaid, M.A. as Vice Rector I of Darussalam Gontor University, Dr. Setiawan bin Lahuri, M.A. as Vice Rector II of Darussalam Gontor University, Dr. Khoirul Umam, M.Ec. as Vice Rector III of Darussalam Gontor University, and Dr. Royyan Ramdhani Djayusman, M.A., Ph.D. as Vice Rector IV of Darussalam Gontor University.

1. Apt. Amal Fadholah, M.Si. as Dean of the Faculty of Health Sciences at Darussalam Gontor University
2. Apt. Nadia Iha Fatihah, M.Clin.Pharm. as Head of the Pharmacy Study Program at Darussalam Gontor University
3. Cania Sofyan Islamanda, M.Pharm. as supervisor I and Apt. Nadia Iha Fatihah, M.Clin.Pharm. as supervisor II who has guided and provided advice, enabling the author to complete this thesis
4. Mahmud Carica Dewi, M.Pharm., as the examiner who took the time to provide input and refine this thesis
5. All lecturers, especially those in the Pharmacy Study Program, who have educated and imparted knowledge during the author's studies at Darussalam Gontor University

6. PKU Muhammadiyah Bantul Hospital, especially the entire medical records and finance department staff, who have provided permission, assistance, and all the information needed by the author in collecting data for this research
7. Ayah, Umi, Kakak and beloved extended family, who have always been a source of strength, prayers, and unwavering encouragement in every step of my journey
8. My friends from the class of 2022, who have become my second family, are helping each other and always reminding me that all struggles will bear sweet fruit in the end

May Allah SWT bless us all with His blessings and guidance. The author realizes that this thesis is far from perfect. Therefore, the author welcomes constructive criticism and suggestions from various parties. Finally, the author hopes that this thesis will be accepted and beneficial to the development of science, especially in the field of pharmacy.

Wassalamu'alaikum Warrahmatullah Wabarakatuh.

Ponorogo, August 2025

Author,

Natarina Citra Almas
